Language

- Mature language
- Sexual language
- Homophobic Microaggressions
- Fatphobic Microaggressions
- Ableist Microaggressions

This show is recommended for ages 11+

In following COCA's mission to deliver thought-provoking programs and train informed young theatre artists who will advocate for change within the theatre and our society, we have decided to include the mature content and language of *Billy Elliot*.

Including the mature language helps fully capture the frustration, hardships, and reality of class struggle. Similarly, the content accurately depicts the struggles dancers and queer people face in a fatphobic, hypermasculine, and homophobic environment.
