Why COCA?

Our amazing faculty

Our campers enjoy a unique and fun-filled summer experience taught by professional artists and teachers! COCA's talented teaching artists also work professionally as exhibiting artists or performers throughout the region.

Our personalized approach

We provide a safe, comfortable, arts-learning environment where our campers can truly enjoy art and the art-making process. Many of our camps are multidisciplinary and are taught by multiple teaching artists. COCA camps are designed to engage all types of learners.

Presentations & performances

Campers learn in a FUN, RELAXED environment where they can express their creativity and gain self-confidence. Each Friday, campers have an opportunity to spotlight the work created throughout the week.

A longer summer

Our camps start the day after Memorial Day and run through August 19, providing your family with 12 full weeks of summer arts opportunities!

No extra fees

All art supplies, groceries, technology supplies, and equipment, as well as field trips, are included (when applicable) in the camp price.

A variety of options for summer fun

With hundreds of camps, COCA offers summer arts camp experiences that meet your family's needs. Choose from indoor, outdoor, and virtual camps, as well as morning, afternoon, and full day camp options.

The arts are for everyone.

Through generous support from patrons, foundations and corporations, we're pleased to offer need-based financial assistance to current and new COCA students.
