

Matilda the Musical
Content Transparency

Mature Discussion and Language

- Mild references to physical violence, and some stage combat
- Fatphobic microaggressions
- Brief sexually suggestive references

This show is recommended for ages 6+ - in consideration

In following COCA's mission to deliver thought-provoking programs and train informed young theatre artists who will advocate for change within the theatre and our society, we have decided to include the mature content and language of *Matilda*.

Including the mature content helps fully capture the frustration, hardships, and absurdism of this story.
