## Advanced Arts

### Ballet Studio Jr. Intensive

JUN 30–JUL 18 | \$700 | 9:30AM–4:00PM

**Ages 9–15** The Ballet Studio is COCA's Junior Ballet Intensive for ages 9–15. This full-day program runs Monday through Friday (with no class on July 4) for three weeks and includes classes in ballet, modern, and character techniques. The ballet curriculum focuses on pirouettes, petite allegro, adagio, and pointe (or pre-pointe when appropriate). The Boys Ballet program emphasizes jumps and turns. Students also concentrate on elements that enhance their training as performing artists, including musicality, expressive movement, and character development. One classical ballet is selected for in-depth study, and dancers learn the process of preparing for a performance, which includes both ensemble pieces and variations from the ballet. The intensive is divided into two sections based on each dancer's ability. Participants must be at levels Ballet II, IIA, III, IV, or V (if currently enrolled at COCA) or have completed more than three years of classical ballet training. The program culminates in a free performance open to family and friends on Friday, July 18.

**Audition Requirement:** Auditions take place at COCA's Regional Summer Intensive Auditions (RSIA) from January 17–19. Alternatively, you can contact Norma Gabriel, Ballet Studio Coordinator, at [ngabriel@cocastl.org](mailto:ngabriel@cocastl.org) to submit a video audition.

### Voice Intensive I

JUL 7–11 | \$330 | 9:30AM–4:00PM

**Ages 12–18** Elevate your singing to new heights! This program offers students the chance to revisit their personal repertoire while discovering fresh material from the latest and most celebrated works of musical theatre. The intensive emphasizes connecting to the actor within, with a strong focus on storytelling through song. Students will also explore integrating physicality into their performances, enhancing their ability to bring songs to life.

**Audition requirements:** Voice students who are not currently studying at COCA must submit a one-minute video excerpt of a song of their choice to Dr. Phil Woodmore at [pwoodmore@cocastl.org](mailto:pwoodmore@cocastl.org) by May 1.

### Voice Intensive II

JUL 7–11 | \$330 | 9:30AM–4:00PM

**Ages 14–18** This one-of-a-kind intensive is developed for vocalists who have completed the COCA Voice Intensive I and are interested in more advanced study. Utilizing songs that represent a variety of musical theatre styles, we integrate method acting technique into voice and scene work to better express a deeper understanding of the emotional life of the song. We also learn effective audition techniques and identify repertoire that highlights individual strengths as singing artists. All singers leave the intensive with two to three contrasting songs prepared for their vocal portfolio.

**Instructors:** Michael Beatty, NYC actor, singer, and Broadway vocal coach; Dr. Philip A. Woodmore, musical director, composer, singer, and Broadway vocal coach.

**Audition Requirement:** Voice students not currently studying at COCA should submit a one-minute video of singing to Dr. Woodmore at [pwoodmore@cocastl.org](mailto:pwoodmore@cocastl.org) by May 1.

## TEEN EDITION

### ***HADESTOWN: TEEN EDITION***

This intriguing and beautiful folk opera delivers a deeply resonant and defiantly hopeful theatrical experience. Inspired by traditions of classic American folk music and vintage New Orleans jazz, Anais Mitchell's beguiling sung-through musical pits industry against nature, doubt against faith, and fear against love.
