

COCA DRESS CODE

COCA accepts gender-neutral dance attire in our classes. Dancers may select which option is most comfortable. Dancers should wear clothing that is form-fitting for instructors to see alignment and allows movement without restriction. Attire should provide proper coverage, including through movement. For the students' own safety, large jewelry is not permitted in class. This includes watches, necklaces, large bows, and dangling earrings.

BALLET DRESS CODE NOTES:

- Pink or skin-tone ballet tights and ballet shoes should be worn. Elastic sewn across each arch for all ballet slippers. Recommended brands for ballet slippers: Bloch, Capezio, Sansha, SoDanca. Not recommended brands for ballet slippers: Dancemates.
- All ballet tights must be worn underneath the leotard and in ballet slippers.
- All hair should be worn in a bun, secured with bobby pins and hairnet so it does not become loose (ask the teacher for instructions).
- Levels Pre-Primary IA–Primary IC students should have a cap or tank sleeve leotard with attached skirt in appropriate colors.
- Levels Ballet I–Ballet V students can choose from camisole or tank leotards in appropriate colors.
- Tights labeled for “boys” or “men” are thicker, therefore more opaque, and may be necessary to provide adequate coverage. Under the tights, do not wear bulky underwear. Instead, wear a dance brief or a dance belt, which is a type of athletic supporter. Form-fitting T-shirts, athletic shirts with spandex, or leotards that look like shirts stay tucked in much better. Leotards labeled for “boys” or “men” offer a different fit and may be more comfortable for some.
